## Making an Outline

When you find a topic you want to try to make into a list book, plan the next steps by thinking in writing about how to organize your book. Then share your thoughts with your partner or teacher.

1. What will my list book be about?

---

2. How will I introduce my topic?

---

---

---

---

---

---

---

---

3. What will be the first thing on my list?

---

---
