## **+ TEACHING PLANS**

#### **INTRODUCING**

#### **DECODABLES**

Schoolwide's Decodable Texts and comprehensive lesson plans are supported by the latest research and Science of Reading methodology, and created for real-world classroom application.

#### **WHY**

### **SCHOOLWIDE?**

Our Decodable Texts are carefully curated and sequenced to support students' effective application of phonics skills to connected text. These texts build and reinforce students' phonological decoding skills - from simple to complex, including letter-sound correspondences and spelling patterns in one-syllable and then multisyllabic words.
