

EFFECTIVE, TARGETED TIER 2 INTERVENTION

Supplemental Resources

Schoolwide's **Phonics & Foundational Skills supplemental resources** are designed to empower educators with the tools to support small-group targeted intervention for students who need additional support in making the jump from isolated phonics skills mastery to the application of those skills in real texts.

Our resources support MTSS frameworks implemented in schools, where the goal is to create supportive, equitable learning environments that meet students needs through targeted intervention. They also easily align with any core curriculum.

Targeted and engaging student-centered learning

A look inside our resources...

Diagnostic Tools, Assessments, & Progress Monitoring Tools

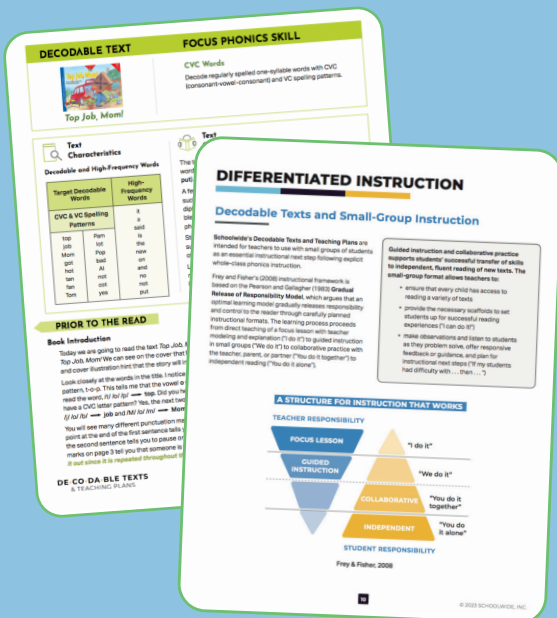

Our Decodable Texts & Teaching Plans Teacher's Guides include easy-to-use **Screening, Diagnostic,** and **Progress Monitoring** tools that enable educators to make informed, data-driven decisions to ensure the effectiveness of intervention efforts – from **targeted** screening of individual student gaps to **monitoring progress** over time. Tools and assessments include:

- Small Group Observation Form
- Class Matrices
- Dictation Assessments
- Cumulative Skill Reviews
- Decodable Text Running Records
- Observations & Analysis Forms

Decodable Texts Teaching Plans

- Provides explicit and scaffolded opportunities for practicing decoding skills with engaging decodable texts in targeted small-group intervention settings
- “Prior to”, “during”, and “after the read” components serve as easy-to-follow instructional roadmaps that enable more targeted teaching and learning opportunities
- Ability to choose teaching plans and decodables that target specific skill practice and application opportunities for students who need more support
- Teacher's Guides also include: **instructional knowledge** for teachers, a **research-based scope and sequence**, **teacher preparation guides**, **annotated teaching plans** to understand each plan component, **customizable/blank teaching plans**, and grade-specific **assessments and appendices**

Foundational Footsteps Phonics Skill Builders

A series of short, supplemental resources that targets specific phonics skills that young readers need to master. This is the resource that every intervention specialist needs as part of their early literacy and phonics toolbox. Each guide includes:

- An explicit, easy-to-follow **Introductory Lesson** for the particular skill
- **Family Literacy Engagement** activities and resources to keep parents engaged, involved, and invested in what their students are learning
- A variety of **Evidence-Based Activities** to build decoding and encoding skills - *activities are meant to be copied and shared with students and parents
- Several engaging **Decodable Texts** embedded throughout with “pre” and “post” reading instruction guidance
- **Cumulative Reviews and Assessments** to evaluate the application of skills learned

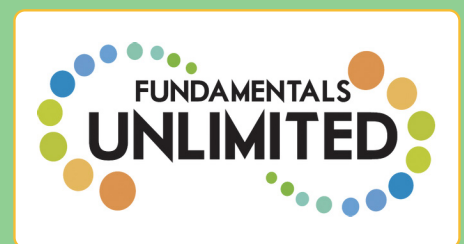

Decodable Texts Classroom Libraries

We've curated collections of Grades K, 1, 2, and 3 decodable texts libraries, representing the best publishers and best opportunities for skill-specific practice. The goal of these curated collections is to mirror the experience of reading real literature. The selected books include:

- Ample opportunities to practice new and previously learned phonics skills
- Language that is both literary and familiar to students' speaking and/or listening vocabulary
- Engaging and visually appealing stories with diverse characters

Fundamentals Unlimited: Digital Resources for Differentiation

All of our resources for Tier 2 intervention, plus many more instructional resources and decodable texts, can be accessed in our digital platform, **Fundamentals Unlimited**. Ask about a subscription!

Foundational Footsteps

Supplemental, Skill-Specific Decodable Text Collections

Schoolwide's curated, skill-specific decodable texts collections offer additional reading practice opportunities alongside our Foundational Footsteps Phonics Skill Builders series. Our sets include texts from different publishers, to ensure readers have exposure to a variety of stories, characters, illustrations and visual experiences, to mirror the experience of reading real literature. The common thread in each collection is the focus phonics skill.

The decodable text sets can be purchased in combination with our Foundational Footsteps Phonics Skill Builders, or separately. Additional copies of the books can be added to the sets.
